Some products are not always in stock but may be ordered upon request.

All prices are subject to change; please ask for a current price list. Some products are the metric equivalent. All measurements are approximate.

We do not accept returns of concrete products.

Please only buy fencing when ready to install.

Do not leave fencing in the sun prior to installing. Remember wood is a natural product and therefore subject to changes such as warping, twisting, discolouration, shrinking or splitting, especially in severe climate conditions. This is a natural occurrence and is not covered by any guarantee. It is nature at work and should not be considered a fault.
