### **GREEN WASTE RECYCLING FACILITIES**

We have the facilities to accept the following as green waste at £15 per cubic meter: trees, shrubs, grass cuttings, hedge cuttings and small roots.

We do **not** accept waste wood, large roots, soil or hardcore.

**ALL WASTE MUST BE LITTER FREE.**

To dispose of waste, you need a waste carriers' licence and a waste transfer note. Information on these can be found on the GOV.UK website.
