GREEN WASTE RECYCLING FACILITIES

We have the facilities to accept the following as green waste at £13.50 per cubic meter: trees, shrubs, grass cuttings, hedge cuttings and small roots.

ALL WASTE MUST BE LITTER FREE.

We do not accept waste wood, large roots, soil or hardcore.

In order to dispose of waste, you need a waste carriers' licence and a waste transfer note. Information on these can be found on the GOV.UK website.
